

WILSHIRE PARK ELEMENTARY SCHOOL

Parental Permission Form for Field Trips 2017-18 School Year

Dear Parent/Guardian:

During the school year the children of Wilshire Park participate in educational field trips which occur during the regularly scheduled school day. Students leave the school premises by walking or bus. Prior to each field trip you will be notified as to where and when they will be going.

You will also be notified in advance, of the cost for bus transportation for each class field trip and when the money is due.

Students are expected to behave in a respectful and responsible manner. Their conduct should reflect positively on themselves, their families and their school community.

In order for a student to participate in a field trip, parents must give written permission. Please sign the tear-off slip below and return it to your child's classroom teacher. Thank you.

Kari Page, Principal

.....

Yes, _____ has permission to go on **all** of the
(child's name)

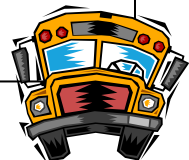

planned field trips for the current school year at Wilshire Park School. We understand that the necessary arrangements and precautions for the care and supervision of the students during the trip will be taken.

Signed _____

Parent/Guardian: To help teachers better track permission forms, there will be a form on your child's desk at Meet and Greet on which you can acknowledge and sign all permission forms for the 2017-18 school year.

You do NOT need to sign this form, however, please keep this information for future reference.

Please return
