Who can get free or reduced-priced meals? Children in households participating in the Supplemental Nutrition Assistance Program (SNAP), Minnesota Family Investment Plan (MFIP), or Food Distribution Program on Indian Reservations (FDPIR) and foster, homeless, migrant and runaway children can get free school meals without reporting household income. Also, children can get free meals if their household income is within the maximum income shown for the household size.

I get WIC or Medical Assistance. Can my children get free meals? Children in households participating in WIC may be eligible for free meals. Please fill out an application.

Who should I include as members of my household? Include yourself and all other people living in the household, related or not (such as grandparents, other relatives or friends).

May I apply if someone in my household is not a U.S. citizen? Yes. You or your children do not have to be U.S. citizens for your children to qualify for free or reduced-price meals.

What if my income is not always the same? List the amounts that you normally get. If you normally get overtime, include it, but not if you get it only sometimes.

Will the information I give be checked? Yes and we may also ask you to send written proof.

How will the information I provide be kept? Information you provide on the form, and your child's approval status for school meal benefits, will be protected as private data. For more information see the back page of the Application for Educational Benefits.

If I don't qualify now, may I apply later? Yes. Please complete an application at any time if your income goes down, your household size goes up, or you start getting SNAP, MFIP, or FDPIR.

Please provide the information requested about children's racial identity and ethnicity, which helps to make sure we are fully serving our community. This information is not required for approval of school meal benefits.

If you have other questions or need help, call (612)706-1003.

Sincerely,

Linda Guenther

Is this form required?

This form must be completed to apply for free or reduced-price school meals, unless:

You do not have to give this information, but if you do not we cannot approve your child for free or reduced-price school meals. You must include the last four digits of the Social Security number of the adult household member who signs the application. The last four digits of the Social Security number are not required when you apply on behalf of a foster child, or you provide an MFIP, SNAP or FDPIR assistance number, or you indicate that the adult household member signing the application does not have a Social Security number.

Only authorized officials will have access to the information that you provide on this form. We will use your information to determine if your child qualifies for free school meals, and for administration and enforcement of the school meal programs. We may share your information with other education, health, and nutrition programs to help them evaluate, fund or determine benefits for their programs, with auditors for program reviews, and with law enforcement officials to help them look into violations of program rules. We require written consent from you before sharing information for other purposes.

Please provide the requested information about children's race and ethnic identity. This information is not required and does not affect approval for program benefits. We use the percentages of participants in each racial/ethnic category to check that our program is operated in a nondiscriminatory manner in compliance with federal civil rights laws

At public school districts, each student's school meal status also is recorded on a statewide computer system used to report student data to the Minnesota Department of Education (MDE) as required by state law. MDE uses this information to: (1) Administer state and federal programs, (2) Calculate compensatory revenue for public schools, and (3) Judge the quality of the state's educational program.

Information provided on this form may be shared with Minnesota Health Care Programs, unless the person completing this form has checked the box in Step 4 to not share information for that purpose.
