

New for the 2017-18 school year—Free & Reduced Meal Applications

AVAILABLE ONLINE NOW

The St. Anthony-New Brighton School District is proud to announce online applications for educational benefits are available for this year.

Computers will be available at your student's school if you wish to fill it out at the open house.

You must apply for free and reduced priced meals for your students every year.

*We can still accept the paper application, if you prefer.

This application not only determines your student's meal benefits but also provides additional revenue for our school for expenses such as books, classroom supplies and technology.
