

## It's GOOD Sense; EVERY Cent Counts!

Dear Wilshire Park Parents,

It gives me great pleasure to write a message to you to you in support of our Wilshire Park Parents Association (WPPA). Last year it was discovered that several platforms on our playground with the large slide attached were in need of repair. Thanks to last year's Giving Campaign, **\$4,000.00 was available to replace the platforms** and provide a safe playing environment for our students. Thank you!

Even with the replacement of some of the platforms, the equipment with the large slide is nearing the end of its life expectancy. I found out that there may be some deferred maintenance funds that could potentially go towards replacing this equipment in the future. More discussion will happen to see what may be possible.

You may be asking, "So what will the WPPA do with the money that was raised last year to go towards the playground?" It is my hope that the WPPA will take the approximately \$5,000.00 that was saved and use this money along with any money raised in 2016-2017 to enhance our existing playground or for possible replacement of some equipment.

I thank you in advance for your contribution to the Giving Campaign. I look forward to an exciting 2016-2017 school year!

Sincerely, Kari Page / Wilshire Park Principal
