WPPA MISSION

WPPA seeks to enhance the school experience for every student by encouraging family involvement, building a sense of community and supporting the school and staff through volunteering and raising funds.

On behalf of the WPPA (Wilshire Park Parents Association) welcome to Wilshire Park!

If you are a parent or guardian of a student enrolled at Wilshire Park Elementary, you are already a **member of WPPA**. No need to enroll and no membership fees. All families are members and you choose your level of involvement. WPPA will never pressure you to give more than you are willing or able. *But, we do hope you will get involved.* With the help and support of volunteers WPPA has been able to do some amazing things for our school community.

The main objectives of WPPA are to encourage family and community involvement and support the school and staff through volunteering and raising funds. Funds are raised by the school community and go directly back into Wilshire Park.

Please don't hesitate to contact us with questions or to let us know you would like to become an active participant in WPPA.

WPPA monthly meetings are typically on the first Monday of each month (excluding September when it is the second Monday) at 7:00 pm in the Wilshire Park Staff Lounge. We look forward to seeing you at the meetings and in the halls of Wilshire Park!
