DISCUSSION

1. St. Anthony Middle School Technology

St. Anthony Middle School Language Arts Teacher Annie Severson explained how blogging is a way to truly integrate technology into our curriculum. Students are reading independently and then writing about what they have read. Ms. Severson has noticed the students are engaged, motivated to read more, and are appreciating the ability to connect with students with similar interests.

2. 2012-2013 Student Achievement Data

St. Anthony New Brighton 2013 MCA test data results were presented for both the district and St. Anthony Middle School. Proficiency rates for both Math and Reading were highlighted in addition to examining the proficiency rates for different demographic groups. Furthermore, growth rates were examined by looking at St. Anthony Middle School's Minnesota Multiple Measures Rating.

3. Budget Update

Director of Business Services Bill Menozzi reviewed the 2013-2014 Budget with the Board. There were no changes from the original adoption.

4. All Day Kindergarten Experience

Principal Kari Page provided an outline on how Wilshire Park Elementary is planning to provide an exceptional Kindergarten experience for all students and All Day Kindergarten for all families who prefer a full day Kindergarten education.
